These symbiotic relationships create an ecosystem where each participant contributes specialised knowledge, resources, and support.

Please email us at [info@compassstates.uk](mailto:info@compassstates.uk) or call on **01506 371 111**

## CRITERIA FOR SELECTION

There is no strict criteria for partnering with Compass Estates Group. We want to remain a diverse range of agents that bring their own individual expertise, personality and skill to the team and this is only achieved by partnering with people from a wide range of backgrounds and professions.

An active involvement in property industry will obviously put you in a great position to succeed as an Estate Agent but it's not essential as the complete flexibility of the self-employed partner model allows for you to commit as much time as you need to the role to be successful. Several of our partners have other roles that they are currently involved in such as Mortgage Brokers, Will Writers and Surveyors. This model is a fantastic opportunity for people to add extra income and self-generate leads through other means of employment.
